

Santuck Flea Market Rules and Vendor Information

Updated 3/20/17 - changes in bold

There are several ways to reserve a space for the Santuck Flea Market:

1. At the Flea Market Rental Office

Your current space is on hold for you until the office closes each Flea Market. The easiest way to reserve it, or change the space you want, is to pay for advance months at the office while you are here for the current Flea Market.

The office is open on the Friday before each Flea Market from 2pm - 8pm.

2. Through the mail:

You may mail a check or money order for your rental space along with the items listed below if you are a new vendor. Once we receive these items, we will call or email you to reserve a space over the phone.

Santuck Flea Market

7300 Central Plank Road Wetumpka, AL 36092

Office phone 334-567-7400 (messages checked weekly)

3. Via Email @ santuckfleamarket.office@gmail.com

You may email us with the items listed below if you are a new vendor.

Once we receive these items, we will call you to reserve a space and take payment with a credit / debit card over the phone.

Vendors will need to provide us with the following:

1. Name, mailing and physical address, phone numbers, email address.

2. General description of the type of goods that you are selling.

3. Photo ID.

4. Elmore County Vendor's License. (Available at the Elmore County Probate Office 334-567-1140, option 3) This license must also be displayed in your rental space.

5. If you are a food vendor, you will also need a Health Department Certificate from any county in the State of Alabama. This will need to be displayed in your rental space. Food vendors will all be centrally located around the Community Center Building itself.

Rental Space Information:

All spaces are 18' x 19' and cost \$35 per space / per month.

We have several power poles through out the grounds, so electricity is available for a fee of \$5 per hook up on a first come - first serve basis to spaces that are within extension cord reach of those. If you need electricity, we can help you choose an appropriate space and estimate the length of extension cord that you will need.
